Dear Jim

FACTOR VIII

Thanks for your call and the follow up fax. I am enclosing a draft letter for you to send to George, if you approve, plus attachment.

Ranald's comments on the agreement are helpful and I'd like to discuss them with him and with Roddy Bruce of Dickson Minto, who drafted the original. I'd like to have that discussion after the French comments on the draft arrive and then agree a final version for your approval.

Hope you approve.

Regards.

Yours sincerely

David B McIntosh
