Dear Ruthven

NANB (Chiron) Testing

The saga continues - and seems to be hotting up!

I would be most grateful if you would agree to joining Drs Gunson, Barbara and Contreras at an informal meeting in London (Strand Palace Hotel) at 1 pm on 23rd August to discuss the UK (BTS) data. I've cleared lines with your Helen and time has been made available - hope you don't mind! Your presence at this meeting will be as an SNBTS representative so please let us have the briefest of reports - to keep us all in the picture. I've asked Eddie Follett to join you.

Many thanks in advance.

Kindest regards.

Yours sincerely
