Dear Sir

**PENROSE INQUIRY****Application to recall/call certain witnesses on the statistics topic**

I refer to your application to the Inquiry to recall/call certain witnesses to give evidence on the statistics topic. Lord Penrose has given consideration to your application and how it may appropriately be dealt with. He has decided to proceed by way of a procedural hearing.

The procedural hearing will be held on 29<sup>th</sup> October 2012 at the Apex International Hotel, 31-35 Grassmarket, Edinburgh, EH1 2HS, at 10.00 am.

You are asked to provide the following information, in writing, to the Inquiry in advance of that hearing. That information is:

- The witnesses you consider should be recalled/called, and
- The additional information or evidence you consider each witness can reasonably provide.

You are asked to provide a written response by Friday 19<sup>th</sup> October 2012. Your response will be shared with the other Core Participants in advance of the hearing.

You are also asked to address the following points in oral submission on the day :

- The proposed lines of questioning for each witness, and

- How the additional information or evidence is likely to add materially to the evidence already available to the Inquiry.

If you require any further clarification please do not hesitate to contact me.

Yours faithfully

PP
