Dear Ewa

RECALL OF FVIII BATCH NO 023110090

Following our recent discussions (Co-ordinating Group Meeting 6 November) regarding the possible implication of this batch in the transmission of HTLV III, I am now able to give you the box numbers which contributed to the plasma pool. These are:

· DUN 220, 219, 218, 222

· DUN 223, 226, 228, 227

Samples from subsequent repeat donors should, as agreed, be held pending more information on the above batch and its exclusive links with Anti-HTLV III positive recipients.

With kind regards.

Yours Sincerely

R J PERRY
 Director (Acting)
