SNBTS DOCUMENT REQUEST No:

2011/00102

Dear Dr Perry

Z8: Phase I Studies

Dr Cuthbertson and I have reviewed the raw data from the Edinburgh patients and I am satisfied that PFC may now move to issue Z8 for routine clinical use.

I would be grateful if you would arrange for me to have a summary document on the Phase I Studies, for record purposes, as soon as possible.

Kindest regards,

Yours sincerely

John D. Cash
