

REF 1079

Sample: present has a 'national lobby'

State: 'paragangs'

Project: (with B. Dool)

CONTACT: GENERAL MANAGERS (WORKERS)

Issue: Laid-off: firms want to grow in any study we do.

Top: - hired production advisory committee - with relevant experts.

- grab - three steps

grab "firm response for planning" - for want of a better decision

- 1: is human experience representative
- 2: similar with UK - want to create
- 3: similar to other studies be prepared.

1. Anal: use exp was appropriate.

Language:

Agreement on - AIT - core

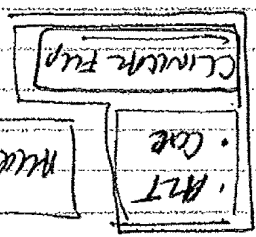

1. And core survey by best knowledge plus RT plus labor why - exam left of workers has cur-por plus clinical evaluation

2. prospective study of effect of RT plus blind not possible

3. just recommend taking view

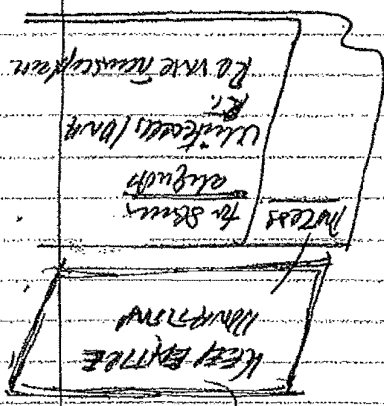

Report

RT plus studies paper center

10,000 - 100,000

ANALYSIS (SECTION OF) STAFFING, SECURITY, etc

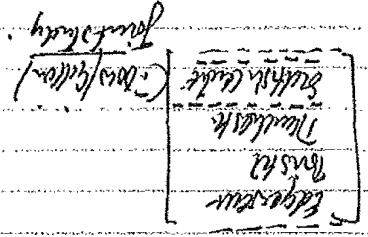

500,000 - 800,000 the diff

50,000

2 LONG TERM FOLLOW UP OF EFFECTIVE

Expand markets + small (contract) studies

CONSTANT Needs are structures result (that) Submission

Forrester impact of the disease
how many, what, how sick

Jack How do we do this

Ralph J. Vignani down certain study
hepb pos - hepatocellular carcinoma 50 x higher (almost = African data)

Handley
Forrester PHCS 2a cluster of 9 populations
Oxford
