Your reference:

Dear Dr. Wallace,

Notification of Hepatitis

Thank you for your letter of 7th March. I would agree that this is a subject worthy of discussion at a Regional Directors' Meeting and I shall arrange to put it on the agenda.

I can confirm that copies of the Chief Medical Officer's letter to doctors on this subject were also sent to Senior Administrative Medical Officers with the request that they be distributed to hospital doctors also.

Yours sincerely,

(D.M. PENDREIGH)

Dr. John Wallace,
Director,
Blood Transfusion Service
at Law Hospital,
Carlisle,
Lanarkshire.
