AIDS

MR MACPHERSON'S MINUTE OF 21 MARCH REFERS

MR MACKAY HAS COMMENTED:-

"I FULLY APPRECIATE THE LOGIC OF THIS ADVICE, ESPECIALLY THE DANGER THAT 'AT RISK' MEN MAY USE THE TRANSIUSION SERVICE AS A SCREEN, AND AS THE TEST IS NOT ABSOLUTELY RELIABLE SOME BLOOD MAY ENTER THE SYSTEM WHICH IS INFECTED. WHATEVER WE DO ON THE BTS, RECOMMENDATION 12(C) IS ESSENTIAL. ALSO WE DO HAVE TO KEEP IN LINE OR AHEAD OF ENGLAND, OTHERWISE WE WOULD BE SUBJECT TO VERY SEVERE CRITICISM."
