Dear Clive

HEAT TREATED FACTOR VIII

I thought it appropriate to inform you that very recent developments relating to the above development proposal (BTS Sub-Committee Feb 1984) will almost certainly require a carry over of capital funding from 1984/85 to 85/86. It is not possible to quantify at this stage but we should be in a better position to assess the fall of the overall capital sum of £90,000 by Nov/Dec.

In the meantime, access to this funding is becoming a matter of urgency if we are to maintain our timetable and provisional commitment to the Haemophilia Directors and I would be most grateful if you could indicate when the funds will become available.

With kind regards.

Yours sincerely

R J PERRY  
Director (Acting)
