Internal Memo

From: C H Wooller Esq General Administrator	To: Dr R J Perry Acting Director Protein Fractionation Centre
Subject: HEAT TREATED FACTOR VIII	Your Reference: Our Reference: AAB/7/2 P CHW/MM Date: 17 August 1984

I refer to your letter of 13 August 1984 and have noted that it may be necessary for you to carry over a part of the capital expenditure into 1985/86. As you know there is no problem in this respect but I would appreciate the earliest possible notification of the likely fall of expenditure.

In the meantime I can confirm that formal authorisation to the expenditure of a total of £90,000 on equipment will be issued to Dr Cash within the next few days.
