Dear Jim

## SUPPLIES OF FACTOR 8Y TO PFC

Following our recent discussion I would be grateful if you could supply PFC with 50 vials of 8Y as a contingency in the event that a 'virgin' haemophiliac presents for treatment. I can confirm that this material will be issued on condition that your clinical trial protocol is observed. It would be helpful if you could provide details of this protocol when you send the product.

Many thanks for your help.

With kind regards.

Yours sincerely

R J PERRY  
Director
