Dear Jack

MEDICAL & SCIENTIFIC COMMITTEE: 19/2/91

HCV: DONOR COUNSELLING

I have pleasure in informing you that the Medical & Scientific Committee examined your final draft document at its meeting on 19 February 1991 and found it to be excellent.

The Committee agree to the proposal that the latter pages be used nationally as Guidelines in leaflet form within the RTCs.

It was noted, however, in the light of national events with regard to the implementation of "Look-back", that the last Question on Page 9 i.e. "What about my previous donations?" and the answer should be omitted from the final document.

May I take this opportunity to thank you on behalf of the Committee for all the work you have put into this project.

Kindest Regards

Yours sincerely

John D Cash
National Medical & Scientific Director
