Dear John,

Thank you for your letter of 28th March, 1984. I should very much like to come to Edinburgh to discuss the matter of heat treated factor VIII. I have to be in Aberdeen sometime in the next week or two to examine a thesis, perhaps on my way back I could drop off in Edinburgh and spend some time with you. I will get in touch with you as soon as I know what my arrangements for Aberdeen will be.

Kind regards,

Yours sincerely,
